### The draw situations

If two or more teams in a single group finish the group stage with the same number of points, the team which qualify is determined based on:

The team with more goals, advances to the next round.

If the teams have the same amount of goals, the team with most goals scored in the full time of the match advances.

If the teams are still tied, the results of the head to head matches are taken into consideration.

If the teams are still tied, the team with the least number of yellow and red cards advances.

If the teams are still tied, a random draw is held.

## Match Duration

Match duration is 30 minutes divided into two halves, each half is 15 minutes with a 3-minute break between the two halves. The teams switch sides during the break. (Group Stage Matches) Match duration is 40 minutes divided into two halves, each half is 20 minutes with a 5-minute break between the two halves. (Quarter-Finals till the Final) The referee tosses a coin to decide which team starts the match with the ball. If a match can't be held due to urgent reasons (power cut-off or weather conditions), the match is delayed 24 hours and if the same reasons continue, the organizing committee is to take further action. In the knockout stages, if any match ends with a draw, a best out of five penalty shootout takes place to determine the winner. In the semi-finals and finals, in case of a draw, an extra ten minutes is played on two halves where each half is five minutes. If the teams are still tied, a penalty shootout takes place to determine the winner.

### Objections and Appealing

Each team has the right to object on a match or a certain call according to the following:

The objection must be written and handed to the fourth official or one of the organizing committee members within two hours of the match. The objection must be signed by the president of the delegation.

The objection is then transferred to the discipline committee where it is viewed and a decision must be taken by the committee before the objection side next match.

During the match, no objections should be presented towards the referee directly.

Each team has the right to appeal any decision made by the discipline committee according to the following:

The appealing is transferred to the organizing committee which in turn sends it to the appealing committee.

The appealing order must contain a detailed report about the decision made by the discipline committee.

The appealing committee must view the order directly after receiving it.
